

## **Guidelines for Organizational Co-Sponsorship**

The Two Row Wampum Renewal Campaign is a partnership between the Onondaga Nation and Neighbors of the Onondaga Nation with the support of the Haudenosaunee Grand Council. It includes scores of partner organizations, including Native Nations, educational institutions, environmental groups, social justice organizations, faith communities and more. Together we are developing a broad alliance between the Haudenosaunee and their allies in New York State and beyond. Our statewide advocacy and educational campaign seeks to achieve justice by polishing the chain of friendship established in the first treaty between the Haudenosaunee and Europeans (in this case the Dutch). Justice for native peoples and environmental cleanup and preservation are core components of our campaign.

In our efforts, the Haudenosaunee and other Indigenous Nations retain full control over what portions of their cultural, political and spiritual practices to share. All educational materials and organizing plans are cleared with Onondaga Nation leaders.

Co-sponsoring organizations agree to accept the primary goals (detailed on the website) and organizing model of the campaign. Sponsoring organizations are invited to participate in the organizing of the overall campaign and/or on specific components as the campaign develops.

### **In addition, sponsoring organizations are asked to:**

- Make a financial contribution (from \$50 to \$10,000 or more depending on your ability to contribute).
- Help publicize the campaign through your own media (newsletter, website, social media, etc.) and mainstream media in your community. The organizing committee will provide templates and informational materials.
- Assist with organizing educational, cultural, solidarity or fundraising event(s) in your community/region as part of the campaign.

☐ *YES, we'd like to co-sponsor the Two Row Wampum Renewal Campaign*
